Dear Sir:

In reply to your favour of January 22nd, I think you are confusing the American Numismatic Association with the American Numismatic Society. The Association, to which you belong, has no Museum, but our Society, about which we wrote you and to which we would like to welcome you as a Member, has a very fine collection of coins and medals which is growing in size and value every day.

If you are in possession of a medal such as you describe, and would care to donate it to our Cabinet, we should greatly appreciate your gift. And we hope that you will see your way clear to adding your name to our Membership list.

Trusting we may receive a favorable reply,

Very truly yours,

Acting Secretary & Curator
